EMPLOYMENT OPPORTUNITY

JOB TITLE: SYSTEM OPERATOR II **JOB NUMBER:** 15-16

DEPARTMENT: WATER AND SEWER

SALARY: Pay Grade 113 (Not Exempt) **Hiring Range:** \$17.54 to \$19.33/hour

ESSENTIAL JOB FUNCTIONS:

1. Install water and sewer taps for new services.
2. Install and service fire hydrants to include flow and standing pressure tests.
3. Repair broken water or sewer mains and water or sewer services.
4. Build and maintain master meters.
5. Change out, raise, or lower water meters and manhole covers.
6. Clean out debris and other obstructions from sewer lines and mains with a rod system.
7. Perform high-pressure water or chemical cleaning of sewer mains.
8. Stock truck with standard items and materials used on a daily basis.
9. Haul work materials, job debris, and equipment with dump truck as assigned.
10. Perform preventative maintenance inspections on truck and complete necessary paperwork on these inspections.
11. Operate all related construction equipment including: backhoe, boom truck, dump truck, hydraulic rod machine, boring machine, and tapping machine.
12. Instruct subordinate employees in the proper use and safety procedures of all construction equipment.

QUALIFICATIONS:

- Must have a high school diploma or GED and at least three years' experience in the repair and maintenance of commercial water and sewer systems.
- Drug screen, criminal background check, and physical exam required at time of hire.
- Must have satisfactory seven-year driving history, to include no DUI's in the last five years. (Employees promoted to this position from within Water and Sewer Department must obtain a CDL within the lesser of the remaining amount of time allotted for their previous position to obtain a CDL, or six months from date of promotion.)
